

ECONOMY IN DIFFERNT COUNTRIES

SUDAN

"In my country, the number of cattle any man owned, defined our wealth"

AFRICA

"In my country, We barter and trade to earn our resources!"

EGYPT

"In my country, we trade with other areas"

America

"In my country, the economy is stable and efficient!"

ENGLAND

"In the past our country heavily relied on agriculture"

CHINA

"In my country, we specialize in manufacturing!"

The economy is the way people spend money and the way people make money. An economy can be big or small, such as the local economy of a small town versus the economy of a country.
